FOR MORE THAN 20 YEARS HELP/PSI has been a leading force in caring for those in New York City with HIV/AIDS and substance abuse issues. Our work involves caring for the most medically fragile people, many of whom are homeless.

THIS YEAR OUR MISSION IS TO RAISE ENOUGH MONEY TO EXPAND OUR DAY CENTERS.

Our day centers provide a structured program including two hot meals, a food pantry, support groups that focus on medical and substance abuse issues along with prevention.

IT IS OUR SINCERE HOPE THAT YOU WILL BE ABLE TO ATTEND AND DONATE TO THIS WORTHY CAUSE and help us to reduce this public health crisis that continues to plague our society. Your generous support at any level will not only help to raise awareness, but also help us to provide service to all who are in need.
